**Ruby Premium Diesel available for an additional 4 Cents per Gallon
Cold Flow Improver is available for 2 cents per Gallon more**

**4000 gal. 1 stop deliveries \$.08 per gallon less, 7000 gals. 1 stop deliveries \$.10 less.
Minimum gallons that can be contracted per 3 month period are 1000 gallons.**

Fixed Price Contract

The Price is constant for three month period. Contract is written for specific number of gallons per delivery period. This Contract **requires a 40 cent deposit that is applied to last delivery.** Gallons must be taken in three month period; they cannot be rolled to next period. Deposit is forfeited if gallons contracted are not taken.

Max Price Contract

Price is fixed: no higher than the contract price and will drop to daily tank wagon price if that price is lower on the day of delivery.

Contract is written for specific number of gallons per delivery period.

Requires a 15 cent premium that is the cost of the contract; this is not applied to last delivery. Gallons must be taken in delivery period; they will not roll to next three month period. No penalty for gallons not used.
